

The Conference gives opportunities for younger education researchers to

- meet others with common interests,
- receive comments on their work from experienced researchers and
- find out how to apply for funding support from the IER Student Research Grants Scheme.

CONFERENCE PROGRAM

3.15pm	Registration & Welcome Reception (Presenters set-up Posters)
3:45pm	Opening
4.00pm	Poster/oral Presentations

9.00pm	Close

Parking is in Macquarie University grounds on a pay and display basis. After 3pm the cost is \$5 per hour (\$15 maximum). Tickets are available from ticket machines around the campus (coins are required).

CALL FOR POSTER/ ORAL PRESENTATIONS

Educational researchers are invited to make poster or oral presentations of their work. New or early career researchers are particularly encouraged to present. Work in progress or completed may be presented. Most will be accepted in the form of posters but a small number of oral presentations may be possible at the committee's discretion.

Intending Presenters:

Please email your title and abstract to:

Dr Anne McMaugh, School of Education, Macquarie University, Anne.McMaugh@aces.mq.edu.au

To enable your abstract to be considered for the Program it must be received **in email form** no later than **Friday, May 23, 2008**. Your abstract should be no more than 150 words in length and include:

- Title of Research
- Researcher's name and institution
- If you would like to be considered for a 15 minute oral presentation.

The space available for each poster presentation is approximately the size of four A3 pages. Display boards and pins will be provided.

The NSW Institute for Educational Research Inc. was founded in 1928 and was a founding member of the Australian Council for Education Research. In 2008 the NSW IER is celebrating its 80th year dedicated to encouraging study, research and service in education.

The NSW IER conducts professional and scholarly meetings. It also contributes to the publication of a national IER research journal and an occasional Bulletin. Membership is open to people with a commitment to education and an interest in educational research. Teachers and new educational researchers are warmly encouraged to join.

The Research Conference aims to:

- Encourage new and early career researchers by providing a forum for their research and an opportunity to hear a distinguished scholar as plenary speaker
- Feature work of more experienced researchers
- Acknowledge outstanding research

IER

IER
